

# CHRISTIE VILLAGE

## WINTER UPDATE

# 2016

We have just endured a storm named "Jonah" that experts considered a blizzard. It snowed for 2 days and currently we have officially measured in for 12-19 inches of snow and sleet. I THINK Christie Village is definitely on the 19" range.

This is the second storm of the week. On Wednesday we received approximately 5" of snow.

We are reminded how quickly our planning for snow is never enough!

## NEWS OF THE 2016 SKI SEASON

### New Snowtubing Park!!

There's a new way to get out and enjoy the snow on Beech Mountain this winter. If you like sledding, you will love tubing. Beech Mountain Resort has added a stage-of-the-art snow tubing park for the 2015-16 season. The lighted park sits adjacent to the Alpine Village at the base of the slopes. It's a great location that provides for extra long tubing runs, and offers convenient access to ice skating, shopping and dining in the Alpine Village.

With chutes up to 700 feet in length, all ages can enjoy an exhilarating ride. Our tubing area is serviced by a magic carpet conveyer, which transports riders quickly to the top!

Tickets are sold on a first come and first serve basis.

Tubing sessions will run at 10 AM, 12 PM, 2 PM, 4 PM and 6 PM and are 1 hour and 45 minutes long. Tickets can be purchased two hours before the session time. A limited number of tickets are available for each session. Tickets are only available for purchase in person.

### RENT A LOCKER FOR THE SEASON

Another nice option for regular skiers and snowboarders is renting a locker for the season. Season lockers are available for just \$125. The lockers are located in a private locker room in the Beech Tree Village. The room features 93 individual/family lockers and is a short walking distance to everything. Locker season pass holders enjoy private bathroom and door access at an annual rate of only \$125 per locker.

As part of the renovation of the Beech Tree Bar and Grille, the resort has resurrected the Red Baron Room. The Red Baron Room is a private club which originally opened in 1970 in the bottom level of the Beech Tree. The room is authentically decorated with World War I flying memorabilia and dedicated to German flying ace Baron Von Richthofen, known as the Red Baron. This unique room, which has not been used for many years, has been remodeled and will be available only by private membership. Membership in the Red Baron Room for the 2015-16 season is \$100 for individuals, and \$175 for families (immediate family members only).
